

HOW TO GET CERTIFIED

Step-by-Step Guide to CEIP Certification for MENTAL HEALTH PROFESSIONALS

ELIGIBILITY

3 YEARS of professional service or full time equivalent experience in the field of mental health

Current license to practice legally and independently is required (Masters degree or higher needed). Pre-licensed work experience in your profession is counted toward the 3 years.

Documentation: Resume/CV
Attach a copy of your license

300 HOURS of documented delivery of mental health services incorporating horses

The 1000 hours of equine interaction client services may overlap with the 3 years of experience in your profession.

Documentation: Application Form

100 HOURS EDUCATION AND TRAINING IN EQUINE INTERACTION

40 HOURS: Direct facilitation training for equine interaction services

40 HOURS: Attendance at equine interaction services conference, workshop, method training (or similar)

20 HOURS: Formal training in equine behavior/horsemanship (course, clinic, or similar)

Direct facilitation training means that you were actively engaged in equine interaction facilitation practice in a learning setting and received feedback.

Documentation: Application Form
Attach evidence of attendance for each training event
